JEFFERSON COUNTY NOMINEES.

Democratic Candidates for Office Whom the People Should Surely Vote for.

BOULDER, Sept. 23 -[Special to the Independent]-One of the most important offices to be filled in each county this fall is that of county attorney-important because the constitutional convention almost entirely abolished the grand jury system and gave to the county attorney all the power which has heretofore been vested in the grand juries. The democrats of Jefferson county were evidently cognizant of this fact when the placed upon their ticket for that office the name of M. H. Parker, for the law firm of Cowan & Parker, for Boulder. Mr. Parker has had some years of experience in the practice of his profession and his ability as a lawyer, both as an sion and his ability as a lawyer, both as an and responsible position.

didate for joint representative of Jefferson and Gallatin countres is a gentleman who should be elected by a large majority. He is chairman of the Jefferson county central committee and is a zealous advocate of democracy. He has been a resident of Montana since 1865 and is well posted on all matters of importance concerning the two counties he will be elected to represent. It is a matter of no little importance to send men to the legislature who are acquainted is chairman of the Jefferson county central men to the legislature who are acquainted with the requirements of their constituen cies, and in this particular the democrats of

The Verdict Unanimous.

W. D. Suit, druggist, Bippus, ind., testifies: "I can recommend electric bitters as the very best remedy. Every bottle sold has given relief in every case. One man Look six bottles, and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Bellville, Ohio, affirms: "The best selling medicine i have ever handled in my twenty years' experience, is electric bitters." Thousands of others have added their testimony, so that the verdict is unanimous that electric bitters do cure all diseases of the liver, kidneys or blood. Only a half dollar a bottle at R. S. "The soothing effects of hot water are not fully appreciated," said a physician the other day. "I recommend it to many of my patients who suffer from insomnia, produced by nervous irritation of the stomach, and also for certain forms of indigestion. Many of them object to it at first, but soon come to like it and are generally much benefited by it." This reminds us that the elegant Pullman sleepers on "The Burtington's" Vestibuled trains between Chicago and St. Paul and Minneapolis, are supplied with hot water from the engine, by every ingenious device. Do not imagine, however, that this line keeps its patcons in hot water. On the contrary, no pains are spared to give travelers the very nest accommodations and the most court sous treatment. It is the great line to all points east, south and north. For tickets, rates, and any information, apply to local ticket agent, or address W. J. C. Kenyon, Gen. Pass. Agent. C. B. & N. R.
